Resources for Seniors - Areawide Aging Agency helps connect seniors and caregivers to needed services. The resource directory gives seniors a pathway to remain in their homes longer.

We help avoid a crisis situation with assistance not available anywhere else. Seniors may be able to receive assistance with utility bills, access to eye care and help with installation of ramps and stability grab bars.

Ombudsman - This program serves residents in nursing home and assisted living facilities. The Ombudsman advocates on behalf of residents. They assist in protecting their rights by providing information, exploring problems and recommending corrective action. Ombudsman Volunteers are critical to the success of the program.

Coordination of Senior Programs - Areawide assists with providing nutritious meals, transportation, caregiver support, legal aid, rest for caregivers, and nutrition classes to seniors in Canadian, Cleveland, Logan and Oklahoma Counties.

Chances are, someone you know has been helped by services offered through Areawide Aging Agency.

Empowering seniors to remain independent and age in place.
