ABOUT AREAWIDE AGING AGENCY

Areawide Aging Agency is a non-profit agency dedicated to advancing the dignity and independence of older adults in our community. We provides services to those age 60 and over in Canadian, Cleveland, Logan and Oklahoma Counties. Areawide Aging Agency is an area agency on aging, one of eleven in Oklahoma, so designated by the Division of Aging Services, Oklahoma Department of Human Services.

We help connect seniors and caregivers to needed services. Areawide Aging Agency provides information to older adults, their families, caregivers or significant others. We also offer a brochure library free to the public at our offices.

The Ombudsman program serves residents in nursing home and assisted living facilities. They advocate on behalf of residents and assist in protecting their rights by providing information, exploring problems and recommending corrective action.

Areawide coordinates senior programs in our community. We assist with providing nutritious meals, transportation, legal aid, respite and support for caregivers, health promotion and nutrition classes.

Areawide Aging Agency, Inc. makes no distinction on the grounds of race, color, national origin, disability, gender or immigration status in the provision of services, financial aid or other benefits in accordance with CIVIL RIGHTS ACT OF 1964, the AMERICANS WITH DISABILITY ACT OF 1990 and the OLDER AMERICANS ACT OF 1965, as amended.

REVERSE MORTGAGES

Home Equity Conversion Mortgages through HUD

The Home Equity Conversion Mortgage (HECM) is Federal Housing Administration’s (FHA) reverse mortgage program which enables you to withdraw some of the equity in your home. You choose how you want to withdraw your funds, whether in a fixed monthly amount or a line of credit or a combination of both. You can also use a HECM to purchase a primary residence if you are able to use cash on hand to pay the difference between the HECM proceeds and the sales price plus closing costs for the property you are purchasing.

You must:
- Be 62 years of age or older
- Own the property outright or have a small mortgage balance
- Occupy the property as your principal residence
- Not be delinquent on any federal debt
- Participate in a consumer information session given by an approved HECM counselor

To obtain an application, contact a HUD approved HECM lender. Listed below are mortgage companies with offices in Areawide’s public service area.

The Burial/Cremation Program is operated in cooperation with local funeral homes and Office of the Medical Examiner. The county provides services for persons who died in Oklahoma County and whose bodies are unclaimed, or for whom no funds are available. Referrals for this program must come from a funeral home in Oklahoma County or from the Office of the Medical Examiner. Due to budgetary constraints, cremations are provided in most cases. Burial services are provided only under extenuating circumstances.

ALZHEIMERS SAFE RETURN PROGRAM AND MEDICALERT FOUNDATION
If an individual with Alzheimer’s or a related dementia wanders and becomes lost, caregivers can call the 24-hour emergency response line at 800-625-3780 to report it. A community support network will be activated, including local Alzheimer Association chapters and law enforcement agencies, to help reunite the person who wandered with the caregiver or a family member. With this service, critical medical information will be provided to emergency responders when needed. If a citizen or emergency personnel finds the person with dementia, they can call the toll-free number listed on person’s MedicAlert + Safe Return ID jewelry. MedicAlert + Safe Return will notify the listed contacts, making sure the person is returned home.
